

Habitat Fieldtrip

Watch the 'Field Trip: Habitat' video and complete the following worksheet. When you are done, you can check your answers with the answer key.

1.) Match the habitats we explored to the item found in them during the field trip.

Wetland

Prairie

Timber

Antler

Tadpole

Kai & Emmie

2.) Match the examples Timberdoodle showed to what a rabbit would need in it's habitat.

Water

Food

Shelter

Space

Brush Pile

Pond

Grass

Field

3.) How many antlers did you find. Circle the number

1 2 3 4 5 6 7 8 9 10
